

Colorado Kidney Care

Where Quality Comes to Life

Welcome to Colorado Kidney Care! This packet contains important information to ensure a productive and thorough visit. Please take the time to complete these forms in as much detail as possible. Please bring with you to your appointment a **list of your medications** or your **medication bottles**, including vitamins and herbal supplements, and a **list of medication allergies, a photo id, or proof of residency** and your **insurance card**. **Upon your arrival, also please be prepared to supply us with a urine specimen.**

This packet of information includes “**review of systems form**” which is a brief medical history for you. Remember, please be as detailed as possible as this will ensure a thorough visit. Also included are the **Statement of Payment Policy, Release of Information Form** and **Advanced Directive and Healthcare Proxy**.

Please complete the above forms and return to us via these options:

- Email to ckcpatientpackets@cokidneycare.com
- Fax to 303-327-4711 at least 1 week prior to your appointment
- Bring the completed forms to the office

If you choose to email or fax your packet back to the office please bring your hard copies with you to the appointment. This will eliminate any delay for check-in if there was an error in receiving these forms.

It is important that you arrive **at least 30 minutes** early since we have a lot of information to exchange. Please note that patients arriving late for scheduled appointments may need to be rescheduled per the physician’s discretion. We accept credit cards, checks, and cash for payment and your co-payment is required to be paid at the time of service. We do not keep change on site so please bring the correct amount. If for any reason you need to reschedule or cancel your appointment, please give us at least 24 hour notice so we can accommodate other patients. Please note that due to the fact that missed appointments or cancellations/reschedules with less than 24 hours notice cause us financial loss, we will not be able to reschedule your appointment in the following situations:

1. If you have not shown up for your initial appt. with us on 2 separate occasions.
2. You have cancelled or rescheduled your initial appt. with us 3 different times with less than 24 hour notice.

These situations do not allow us enough time to schedule another patient in your place and therefore the physician’s time is lost. Thank you for your understanding of this policy and for giving us ample notice if you need to change your appointment time. Our primary source of communication with patients after their first visit is via our online Patient Portal. All non-urgent communication with our staff and your provider will be through our Patient Portal so our staff will be signing you up for Portal access at your first visit. Please be prepared to supply us with an email address either for yourself or a primary caretaker at this visit. You will receive more details at your visit.

Attached are directions and map to our office, please see notes for parking instructions on map page.

We look forward to meeting you. If you have any question or concerns prior to your visit, please contact our Central scheduling office at 303-327-4700 – option #4.

Thank You, Colorado Kidney Care Team

Insurance Coverage: We will bill your health insurance carrier for services rendered by our providers, but it is your responsibility to make sure that we have your most current insurance information. If you change or add an insurance policy you must make our staff aware and present a new insurance card prior to your appointment. Any balances not paid by your insurance carrier are your responsibility and payment is due upon receipt of a "Billing Statement" or your next office visit, whichever occurs first.

Copays: We have a contractual obligation (with your insurance company) to **collect** your copay at the time of service, and you have a contractual obligation (with your insurance company) to **pay** your copay at the time of service. **Copays are the patient's responsibility and are due at the time of service.** We are considered specialty care by insurance carriers. If your insurance carrier has a specific copay amount for specialty care you will be expected to pay this amount at the time of service. If you fail to pay your copay at the time of your appointment, we will charge an Administrative Fee of \$5.00. Insurance will not cover the Administrative Fee, and you are personally financially responsible for payment.

Accepted Forms of Payment: We accept payment by cash, check, Visa, MasterCard, American Express and Discover.

Patient Outstanding Balances: If you have an outstanding balance with our company we will send a "Billing Statement" monthly to your home. We expect that you will pay your full balance upon receipt of our billing statement. If you are unable to pay the outstanding balance in full in a single payment, please contact our Billing Office to discuss a payment plan or for a financial evaluation. The direct phone number is (720) 343-1600. If you have received an itemized statement, you can now pay your statement online through the Patient Portal. If you have not registered for our Patient Portal please contact our office to be set up.

Unpaid Accounts: In the event that you do not satisfy your account balance on a timely basis, we may elect to send your account to an **outside collection agency**. Once your account has been sent to collections, you will need to make payment arrangements with the collection agency.

Other Possible Fees:

Missed Appointment Fee - A missed appointment is a scheduled appointment that you miss without notifying us in advance. An appointment that is cancelled or rescheduled with less than 24 hours' notice is also considered a missed appointment. Our policy is that the first time you miss or cancel an appointment with less than 24 hours' notice, a letter will be sent to you. The 2nd time you miss or cancel an appointment with less than 24 hours' notice a \$25.00 fee will be charged to your account. Insurance companies do not cover this charge, and you will be responsible for paying this fee prior to being seen again by our physicians. **Disclaimer:** The missed appointment fee will not be charged if you missed your appointment because you were an inpatient in the hospital.

Returned Check Fee – There will be a \$25.00 service fee on all returned checks.

I have read, and agree to the above Payment Policy. I understand that charges not covered by my insurance company, as well as applicable copay and deductibles are my responsibility.
