

Colorado Kidney Care

Where Quality Comes to Life

Welcome to Colorado Kidney Care! This packet contains important information to ensure a productive and thorough visit. Please take the time to complete these forms in as much detail as possible. Please bring with you to your appointment a **list of your medications** or your **medication bottles**, including vitamins and herbal supplements, and a **list of medication allergies, a photo id, or proof of residency** and your **insurance card**. **Upon your arrival, also please be prepared to supply us with a urine specimen.**

This packet of information includes “**review of systems form**” which is a brief medical history for you. Remember, please be as detailed as possible as this will ensure a thorough visit. Also included are the **Statement of Payment Policy, Release of Information Form** and **Advanced Directive and Healthcare Proxy**.

Please complete the above forms and return to us via three options:

- Email to ckcpatientpackets@cokidneycare.com
- Fax to 303-327-4711 at least 1 week prior to your appointment.
- Bring the completed forms to the office

If you choose to email or fax your packet back to the office please bring your hard copies with you to the appointment. This will eliminate any delay for check-in if there was an error in receiving these forms.

It is important that you arrive **at least 30 minutes** early since we have a lot of information to exchange. Please note that patients arriving late for scheduled appointments may need to be rescheduled per the physician’s discretion. We accept credit cards, checks, and cash for payment and your co-payment is required to be paid at the time of service. We do not keep change on site so please bring the correct amount. If for any reason you need to reschedule or cancel your appointment, please give us at least 24 hour notice so we can accommodate other patients. Please note that due to the fact that missed appointments or cancellations/reschedules with less than 24 hours notice cause us financial loss, we will not be able to reschedule your appointment in the following situations:

1. If you have not shown up for your initial appt. with us on 2 separate occasions.
 2. You have cancelled or rescheduled your initial appt. with us 3 different times with less than 24 hours notice.
- These situations do not allow us enough time to schedule another patient in your place and therefore the physician’s time is lost. Thank you for your understanding of this policy and for giving us ample notice if you need to change your appointment time. Our primary source of communication with patients after their first visit is via our online Patient Portal. All non-urgent communication with our staff and your provider will be through our Patient Portal so our staff will be signing you up for Portal access at your first visit. Please be prepared to supply us with an email address either for yourself or a primary caretaker at this visit. You will receive more details at your visit.

Attached are directions and map to our office, please see notes for parking instructions on map page. We look forward to meeting you. If you have any question or concerns prior to your visit, please contact our Central scheduling office at 303-327-4700 – option #4.

Thank You,
Colorado Kidney Care Team

Consent to Obtain Prescription History

This consent form authorizes Colorado Kidney Care to obtain and review my prescription history. Detailed prescription history provides your physician with information about medications being prescribed by other providers involved in your medical care. This information will improve the accuracy of our medication list in your medical chart and decrease any adverse drug reactions or inaccurate medication information such as medication names or dosages.

By signing this consent form you agree that Colorado Kidney Care can request and use your prescription medication history from other healthcare providers, pharmacies, and benefit payors (such as your insurance company) for treatment purposes.

Understanding all of the above, I hereby provide informed consent to Colorado Kidney Care to request, view, and use my external prescription history for treatment purposes. I have had the chance to ask questions and all of my questions have been answered to my satisfaction.

Colorado Kidney Care Payment Policy Acknowledgement

As of August 2021

Insurance Coverage: Colorado Kidney Care (CKC) will bill your health insurance carrier for services rendered by our providers; however, it is your responsibility to make sure that we have your most current insurance information. If you change or add an insurance policy, you must make our billing or office staff aware and present a new insurance card at your appointment. The direct phone number for the Billing Office is 720-343-1600. Any balances not paid by your insurance carrier are your responsibility and payment is due upon receipt of our “Billing Statement.”

Copays: Your insurance is a contract between the patient and the insurance company. CKC has an obligation with your insurance company to **collect** your copay at the time of service. **Copays are the patient’s responsibility and are due at the time of service.** We are considered specialty care by insurance carriers. If your insurance carrier has a specific copay amount for specialty care you will be expected to pay this amount at the time of service.

Accepted Forms of Payment: We accept payment by Visa, MasterCard, American Express and Discover, or cash, check and money order.

Patient Outstanding Balances: If you have an outstanding balance with CKC we will send you a Billing Statement by either a text, email, or US mail, depending on the preferences you have set up with us on how you prefer us to contact you. We expect that you will pay your full balance upon receipt of our Billing Statement. If you are unable to pay your balance in full in a single payment, you can either set up a payment plan (if your balance amount is eligible for such a plan) via the text or email we send with your Billing Statement, or you can contact our Billing Office to discuss a payment plan or to determine if you qualify for a discount due to financial hardship. The Billing Dept phone number is 720-343-1600.

Unpaid Accounts: In the event that you do not pay your account balance in a timely manner, we may send your account to an **outside collection agency**. Once your account has been sent to collections, you will need to make payment arrangements with the collection agency.

Other Possible Fees:

Interpreter Fee - If a patient requires CKC to schedule an outside interpreter service to come onsite to assist with their appointment, and the patient cancels the appointment with less than 24-hour notice (unless the patient is hospitalized) or if the patient does not arrive for their appointment, then the patient assumes the financial responsibility for the interpreter fee. The fee for the interpreter service can range from \$50.00 - \$200.00 per appointment. The interpreter service still charges CKC for their fee for an appointment that is cancelled with less than 24 hours’ notice. Should this occur, CKC will pass this cost to you in our Billing Statement, and you are responsible for paying this amount.

Outside Services Ordered by our Providers – Once you have established care with one of our providers, they may order tests such as labwork (blood or urine tests), diagnostic imaging (Ultrasound, CT scan, MRI) or procedures (biopsy or medication infusion) with outside facilities that are not part of our practice. Please note it is the patient’s responsibility to tell us where they would like to go to have testing and procedures done, to ensure that the facility where they go is “In-Network” with their insurance plan, and they do not incur extra fees for out-of-network facilities. While our staff will assist in sending orders to a facility of the patient’s choice so that their appointment can be set up, we will not direct a patient to go to any specific facility for these tests or procedures. If a patient is unsure which facilities are in-network with their insurance our staff will provide them with a copy of the test or procedure order form and the patient can then call their insurance carrier and ask for a list of facilities where they can be seen, and the patient can then contact one of the facilities to arrange for their appointment. If a patient schedules testing or procedure services at a facility that is not in-network with their insurance plan, CKC is not responsible for any out-of-network fees the patient may be billed for, these fees will be the patient’s responsibility. Patients also need to make sure that any prior authorizations that may be required by your insurance are completed prior to their appointment.

Returned Check Fee – There will be a \$25.00 service fee on all returned checks.

I have read and agree to the above Payment Policy. I understand charges not covered by my insurance company, as well as copays, deductibles, and co-insurance are my responsibility.
